

# MCJA Student Poster Competition Required Submission Form

This form must be completed by the **lead author** on the poster and requires a signature by a faculty advisor and/or faculty co-author.

## Class Status Documentation

1. What is/was your academic level at the time the poster was completed?

- Undergraduate student
- Master's student
- Doctoral student

2. Please verify your current enrollment of at least 1 credit hour for the current term by including a screenshot of official enrollment or screenshot of your transcript showing this term's enrollment on page 2 of this form.

## Contribution and Authorship Statement

In the table below, please state the name of each author and their class status or if faculty co-authors, indicate the percentage of contribution to the project for each author, and describe what each author's contribution was to the poster.

Author(s) & Class/Fac Status	Contribution %	Author's Contribution to Poster

I confirm that I am the lead author and that all student authors' combined made significant contributions to the project.

## Faculty Sign-Off

As the faculty advisor and/or co-author, my signature below confirms that the above information is accurate and the poster qualifies for entry into the competition level that aligns with the student(s)' class status at the time the poster was completed.

**For single-authored posters:** If the student completed the project entirely on their own, please sign off below.
